Dear Employer:

You are required to appear between 8:00am - 3:00pm on 07/02/18 at the location below to prepare your Delinquent Employer's Quarterly Report for the quarter(s) ending 03/31/18.

Please bring all payroll records for the entire calendar year(s) in which your Delinquent Employer's Quarterly Report occurred. If you have questions about what to bring, please call. This appointment may be cancelled by submitting the report(s) at: www.twc.state.tx.us/businesses/unemployment-tax-services prior to the appointment date.

If the business is closed or you no longer pay Texas wages you may need to suspend the account. You may visit the website listed above to update your account status.

If you are unable to submit the report(s) electronically or need to discuss the timing of this appointment, please contact me at the phone number or email address indicated below.

The Texas Unemployment Compensation Act gives Texas Workforce Commission (TWC) the authority to assess late reporting penalties and late payment interest that will accrue each month that the report and payment remain past due. Failure to file your report may result in additional collection action, inaccurate certification of your wage information to the Internal Revenue Service and a possible increase in future tax rates.

I appreciate your cooperation in resolving this matter.

Sincerely,

RUBY RAMIREZ-TAPIA
